April 24, 2012

Dear Governor Malloy,

I wish to extend my deepest gratitude to you for the high honor of offering to nominate me to serve as a Director of the Public Utilities Regulatory Authority. However, I must respectfully decline that offer.

Please know the abiding excitement that I continue to share for the vision you have set forth in establishing energy policy for this state. I believe that Connecticut has charted a course in this arena that will benefit our citizens, businesses and the environment for generations to come.

After serious reflection I have determined that I wish to pursue other personal and professional endeavors at this time.

It is my intention therefore to resign my position as a Director of the Public Utilities Regulatory Authority effective at the close of business on Friday May 11, 2012.

I am forever grateful to you and to the citizens of this state to have had the opportunity to serve in this capacity.

Respectfully yours,

Kevin M. DelGobbo
Chairman, Public Utilities Regulatory Authority
Department of Energy and Environmental Protection
