GOVERNOR  
STATE OF CONNECTICUT

March 21, 2013

Phillip E. Austin, Interim President  
Board of Regents for Higher Education  
39 Woodland Street  
Hartford, Connecticut 06105

Dear President Austin:

Thank you for your request for approval of \$95 million of bonding for CSUS 2020 for fiscal year 2014. The capital investments under the CSUS 2020 program are important investments which I fully support.

Upon reviewing the pace of spending under the program and weighing the CSUS 2020 projects which are projected to begin construction in the next fiscal year, your request for approval of another \$95 million is justified.

Therefore, pursuant to the provisions of subdivision 1 of subsection d of Section 10a-91e of the General Statutes, I hereby approve your request for bonding in fiscal year 2014 for the CSUS 2020 program, in the amount of \$95 million.

Sincerely,

Dannel P. Malloy  
GOVERNOR
