Re: Executive Order No. 37

Dear Mr. Welz:

As required by Governor Dannel P. Malloy's Executive Order No. 37, the Department of Energy and Environmental Protection ("DEEP") submits the attached Report, which identifies certain regulations under DEEP's jurisdiction (Titles 15, 19, 22a, 23, 25 and 26 of the Regulations of Connecticut State Agencies) that could be repealed or amended because the regulations are obsolete, unnecessarily burdensome, or ineffective. In part 3 of the Report, DEEP responds to comments or suggestions from the public on DEEP's regulations.

Thank you for your efforts in promoting, improving, and creating a transparent and cost-effective regulatory process. If you have any questions or require further information, please contact Melinda Decker, Agency Legal Director at Melinda.decker@ct.gov or at 860-424-3859.

Sincerely,

A handwritten signature in blue ink, appearing to read "Robert J. Klee", with a long horizontal flourish extending to the right.

Robert J. Klee
Interim Commissioner
